COMUNE
DI CERVIA

SEPTEMBER 20th - 23rd

**CERVIA,
THE CAPITAL OF
TRIATHLON**

Come to the city of salt and attend the extreme and incredible IronMan Italy Emilia-Romagna race.

Ironman, the most extreme and incredible triathlon race in the world, comes back to Cervia for the second year. An international event that attracts 2700 athletes from all over the world to Cervia that take part in a swimming race (3,8 km), a bike course (180km) and a running course (42,2 km). The race takes place on Saturday, September 22nd, but, for the whole week, the city will host sport events and more. You can follow the entire race, cheer for the athletes and, why not, choose your favourite and follow them to the finish line.

Come to Cervia and join our big sports celebration!

Programme on www.comunecervia.it

DO YOU WANT TO EXPERIENCE THE EMOTIONS OF TRIATHLON?

Visit our triathlon cities (Cervia-Bertinoro-Cesena-Forlì-Forlì-impopoli-Ravenna), where you can learn more about Romagna, a land rich in nature, arts and culture and food delicacies.

Route map, open and closed streets:

HOW TO REACH US AND GO AROUND THE CITY

- The **S.S. 16** is completely free and open to ordinary traffic. You can therefore drive in easily from Rimini and Ravenna;
- The **via Dismano** is completely free and usable and is useful if you arrive from Cesena and Forlì;
- If you take the train, Cervia's **train station** is close to the Ironman Village (about 10 minute walk);
- All the **parking** lots in the city are available, except for the one in Milano Marittima at the end of viale Forlì (see map);
- You can leave your car in the parking lot and take advantage of the **shuttle service** from Milano Marittima (via Ascione) and Pinarella (public swimming-pool area) to get to the race areas and join the party;
- From Friday September 21st 8.00 pm to Sunday September 23rd 12.00 am, the parking lots delimited by **blue stripes** will be free throughout the municipal territory;
- In the race areas, **parking is prohibited** and cars will be removed;
- You can reach the race areas by bike or on foot** after being authorized by local volunteers by following the prepared paths. Pay extra attention to the passage of the athletes. **You can find all the pedestrian crossing points on the map.**
